

2013/1/18

JM Energy will participate in “4<sup>th</sup> International Rechargeable Battery EXPO (BATTERY JAPAN2013)” which will be held at Tokyo Big Sight from Feb. 27 (Wed) to Mar. 1 (Fri).

<Venue>

Tokyo Big Sight West Hall W1-80

<Highlight >

JM Energy has realized great reduction of internal resistance of lithium ion capacitor, and commercialized laminate cells and prismatic cells using such technologies. You will find lithium ion capacitor cells and modules together with examples of practical applications at our booth.

We are sincerely looking forward to seeing you at our booth!
