

Feb 12, 2014

JM Energy will participate in “5th International Rechargeable Battery Expo –Battery Japan- ” which will be held at Tokyo Big Sight from Feb. 26th (Wed) to 28th (Fri) 2014.

Official web page: <http://www.batteryjapan.jp/en/Home/>

<Venue>

Tokyo Big Sight West Hall W13-82

<Highlight >

JM Energy has realized great reduction of internal resistance of lithium ion capacitor, and commercialized laminate cells and prismatic cells using such technologies. You will find lithium ion capacitor cells and modules including newly developed products, together with examples of practical applications at our booth.

We are sincerely looking forward to seeing you at our booth!
